

Professional Hairdresser to Barber Course will

- Improve your skill and knowledge on a variety of men's haircutting techniques and methods, working directly under the tutelage of our Creative Director
- Ensure that you are fully prepared to provide a luxury men's grooming service that gives each of your clients a superior experience
- Give you knowledge on a variety of wet shave techniques and methods

Professional Hairdresser to Barber Course covers

- Practical sessions plus "look and learn" sessions
- Foundations of barbering (cutting of several different types of men's hair with clippers and scissors)
- Specific barbering techniques
- Gents head patterns
- Traditional hair cuts as well as contemporary and trendy styles
- Wet shave with a cut-throat straight razor and beard trimming on real model
- Full run down on safety with the straight razor, skin contact, blood and correct hygienic practices for all your equipment
- Learning about the male skin and its treatment needs
- Delivering a thorough consultation
- Instruction about the purpose and use of each hair/shaving product and its benefits to your customer
- Tools and products (on request)

Course is on 2 evening or morning a week for 6 weeks and is highly intensive and practical. We advertise for models but students must also be prepared to source models

Price: € 825
