

MGI Royal Shaving Master Class will

- Improve your skill, confidence and knowledge on a variety of wet shave techniques and methods, working directly under the tutelage of our wet-shave expert.
- Ensure that you are fully prepared to provide a luxury service that gives each of your clients a superior grooming experience.

MGI Royal Shaving Master Class covers

- Client consultation and preparation
- Learning about the male skin and its treatment needs
- Instruction about the purpose and use of each grooming product and its benefits to your customer (from pre-shave lotions and lubricants to the professional use of hot and cold towels)
- Working with the straight razor using different techniques/beard direction, including the handling of the straight razor in different ways to get different results around the face
- Shaving demonstrations and practical session on real model to develop confidence in the use of the straight razor
- Facial massage techniques
- Tools and products (on request)

Price: One-to-one session: € 210

Group training (max 4 students per class for your convenience and best results): €185 pp
